Real Estate Marbella

Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

An impressive portfolio of real estate in Marbella

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

New developments

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5* onsite facilities and amenities.

Contemporary properties

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

Featured properties

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

Price reduction properties

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

Properties for sale in Marbella and beyond

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

Testimonials

Fabulous service from Yuri throughout the process. He was honest and felt like a person we could really trust. He genuinely wanted to do everything he could to facilitate the purchase and actively got involved to resolve issues with the developer. As homebuyers new to the country Yuri also proved to be very helpful with additional support / information outside just the housebuying process. Thanks Yuri, it was really reassuring to know we had you behind us every step of the way

Yuri - Gary

We contacted Bromley Estates in 2015 to find us a home inland, we were assigned to Maurice who was given the task of driving us to see properties from Alora to Alhaurin el Grande to Coin. Maurice made our journey not only pleasurable but full of fun too. Ted played a big part in our adventure too though quite how he managed to get to each place before us is still a mystery to us. There were moments on our journey that were a bit scary, one of which was Maurice's navigational skills, when following the country estate agent to a property Maurice seemed to be drawn to follow any and every silver car on the road ?. However after 2 trips to Spain from U.K. Maurice finally found our dream home for us and we are now settled in Coin campo.

We owe you a debt of thanks. Keep up the good work. We love you ?

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

BROMLEY ESTATES

Marbella.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with

most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
