Testimonials

I met Melissa via Bromley Estates while searching for a property in the Marbella area. I've been twice to Marbella now and Mel picked me up on both occasions, taking me to view properties we had selected. From the very start I felt very relaxed and Mel really listened to my property criteria and did her best to show me anything she thought may be of interest. Her local knowledge of the area was so important as I was not familiar with anywhere. Mel went the extra mile, she was in constant contact and even did some video

viewings for me when I couldn't get there. I have since bought my dream home and that is all down to Melissa.

Just a short note to say many thanks to you and your team at Bromley Estates; Igor was our main point of contact during our visit last week and he was absolutely amazing, I personally felt that he went above and beyond what was expected from our time together. Igor collected us from the airport on a Saturday evening with a bag of groceries, wine, and water, he then took us to dinner and showed us many fantastic areas and properties - really focussing on what my wife & I want from our time in Spain, rather than just the property itself, fully appreciating that the area and local amenities were key to us. There was absolutely no pressure applies; Igor actually made our visit, and our decision to purchase a property in one of your developments an absolute pleasure. He even took us for a celebratory drink (dinner was offered again but we were both fine) Igor then collected us from our hotel - again on a Saturday evening, dropped us at the airport and has been in touch several times since, a true star... Credit where credit is due Chris; Igor and the team at Bromley made our trip special which was not expected from a business/investment trip (not a holiday) keep up the good work and please pass our appreciation on to Igor (I believe acknowledgment on a job well done; with client satisfaction, and appreciation, will come better from his manager - rather than myself) Igor did an amazing job and is a true asset to your team.

We have just recently celebrated our one year anniversary on purchasing our dream holiday home in Estepona. Huge thanks to Taryn for helping to make it happen. Taryn could not have done more for us during the process; from sending lots of options on email, providing video calls to show us properties whilst we were in the UK and lastly setting up the in person viewings when we got to Spain. Taryn made the whole process simple and fun and took a real care in making sure we had the best experience possible. As a result it made the potential daunting task of buying a property abroad easy. The service didn't just end at the point of sale, I was blown away with the aftercare, Taryn helped so much with things like being there for the snagging in the new apartment, setting up internet, even down to getting the locks changed. She still keeps in touch now to make sure everything is going well. We would highly recommend Taryn to anyone on purchasing their dream home on the Costa Del Sol.

Dear Melissa,

Thank you so much for helping us find our second home in Spain.

I can only say you have been

- 1- Highly professional.
- 2- Very knowledgeable about the area.
- 3- Very caring in terms of the customers needs.
- 4- Very efficient.
- 5- Very accommodating.

Melissa you are the best in the business as far as we are concerned you never pushed us in to anything we didn't like and made sure that what we were about to sign for is exactly what we wanted. We have dealt with a few agents in Costa de Sol who have been nothing short of pushing to sell properties that we didn't like. Thank god we found you who understood our needs. Above that you are a warm wonderful person that gives comfort to clients who are buying properties in Spain which can be challenging to say the least. We will be defiantly recommending you to our friends and family should they be looking to buy property in Spain. Keep up the excellent work ethics that you possess.

Melissa - Mr and Mrs K November 2021

I would also like to specially thank Melissa for her impressive dedication and support during the days prior to the visit and the two days we have spent together.

It has been a great experience to meet her. She has been a fantastic adviser, determined, close to people, patient, very well prepared and positive minded. She has made visits easy going (challenging with two kids), allowing a perfect overview of both properties and living areas, neighbourhoods...

We decided to buy a flat in Costa del Sol sometimes ago and after an accurate searching on internet we came to the conclusion that Bromley Estates was the best and we decided to do all the viewing with them, I have to admit this decision was taken also due to the fantastic and professional staff we met during this purchase process such as Ben who was absolutely amazing, he was always available for me and replied to all the questions I had in no time. Thanks to Ben and all Bromley Estates team, today we are the lucky owners of an amazing place in the sun!!!

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain

their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on [+34 952 939 460](tel:+34952939460) ([+44 208 068 7606](tel:+442080687606)) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our [blog](#). But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to [get in touch](#). We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
