What a pleasure to meet Flemming. When you are buying in a foreign country it is much appreciated to speak to someone as frank and honest as him. Not at all pushy, just friendly and informative.

## Flemming - John

We are a family of three including our daughter who is a wheelchair user. We really thought our search would be difficult and would take some time. That was until we were put in touch with the amazing Emma. Emma was not only so knowledgeable about our chosen area, but is a tremendous listener. Never have we met anyone so warm, open and understanding and so determined to find you your dream property, regardless of any difficulties you might think you have with your search. Her insight was apparent before we even met, sending properties to suit us that matched instantly with our thoughts and ideas, definitely some mystical powers going on! Communication is excellent throughout. Emma is professional but also like a long standing genuine friend. She helped us massively over our stay and is very hands on! Can't thank Emma enough, her company is such a pleasure to be in, and with her hard work and commitment she will find you your perfect place in the sun. Thank you!

Dear Ms Hayley, My name is Masha and I am a flight attendant for Emirates Airline living in Dubai,UAE. I just wanted to steal a few minutes from you and praise your agent Emma Paterson. I was welcomed to Marbella with the most sincere and warmest hospitality I could have only wished for. It was my first time travelling there (and,oh,I have travelled the globe) and Emma made sure not to be even a minute late to pick me up at the airport. She is a lovely,friendly,superfun and hard hardworking real estate agent with the great vast amount of knowledge about the real estate and she had a quick response for all my questions about where to buy,what to look for,what to stay away from,etc... I felt safe and secure in her company from the first minute she said hello to me,which is so very important in any customer service industry. I have already given her contact details to a few colleagues of mine in Emirates Airline and I always make sure I mention her skills when I show my lovely apartment to pretty much anyone. We spent almost half a day together every day which just proves that she was so dedicated to me and made sure that I was not left alone in a foreign place. Emma is a great companion to be around with as she has a fantastic sense of humour which makes the long day go by so much easier. I think that she is a great asset to your company and I will always visit her whenever I come to Marbella.

Gary made a perfect job. Customer orientated, helpful, friendly and competent. Bromley is a very professional real estate company.

The real estate experience we had with Bromley Estates and in particular, our wonderful agent Chris B., was truly the best buying real estate experience we've ever had. Their efficiency, professionalism and responsiveness was so enjoyable that not only did we, very quickly, find our ideal home on the Costa Del Sol but have come back to them again, to see about finding a country villa too! The expertise of the whole team, including all the professionals Bromley recommended to us such as our lawyer, have all been amazing and quick to respond whenever we expressed a question or need, down to the beginning "scouting" work of Grace screening for properties most reflective of our desires and price range, to the humor and good-nature of our agent, Chris B. We not only found our dream home at Bromley, we found longterm friends and neighbors we can count on. Highest recommendation possible!

## Frequently Asked Questions:

### Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

### Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

### How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the

same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on [+34 952 939 460](tel:+34952939460) ([+44 208 068 7606](tel:+442080687606)) to get started.

### Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our [Area Guides](#). But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

### Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference. Take a look at our [area guides](#) for more information

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to [get in touch](#). We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

### Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

### How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale

or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
