Testimonials

Sandra was very friendly and professional when introducing us to the property market in Marbella. She understood quickly what we were looking for which has significantly shortened our search and we did find our dream property within a week.

Sandra - Thomas

As you recall, we were unsure about purchasing a villa in Marbella. However, after meeting mr Maurice, he showed us some spectacular villas; His patience, great perspective, and constructive criticism led us to write an offer on one of the great villas in Los Flamingsos. Although the offer did not go through, as the seller did not lower their price, we had a great experience with Mr Maurice. Again, I wanted to thank you for all the time, as it was an enjoyable and essential exploration. You were not a pushy agent; hence, we are still looking for great deals in Marbella and looking forward to closing a deal with your help one day! All the best,

Maurice - Shayan

We are currently in the process of searching for our dream home on the Costa del Sol, and working with Ana and Vicki from Bromley Estates has been — and continues to be — an absolute dream. From the very beginning, Ana and Vicki have shown professionalism, warmth, and a genuine desire to help us find the right property. They've gone above and beyond to understand our needs and preferences, and their knowledge of the market and dedication to their clients shines through in every interaction. While we're still on our journey, we already feel incredibly supported and confident knowing Ana and Vicki are by our side - it's not just about real estate with Bromley Estates, it's about trust, integrity, and feeling like you have true advocates on your team. We wholeheartedly recommend Bromley Estates and are so grateful for Ana and

Vicki's ongoing support. We can't wait to share another update once we find "the one"!

Vicki - Ruxandra

I wish to thank you and all of your team for making our house purchase (completion today) such a seamless process. Special thanks go to Gary, who went the extra mile by finding just the right property for us, and truly took on board everything we had asked for . We are delighted with his work on our behalf and of course Sebastian who smoothed the way for us and calmed our nerves. We are also more than happy with the lawyers Manzanarez., who communicated well (in good English) throughout the process.

Gary - Gordon and Marie

We acquired our apartment in Estepona via Anke Parijs who first gave us a thorough lay of the land in the region over a long weekend. Once we made our decision, Anke constantly went the extra mile to facilitate the acquisition, introducing us to banks, notaries, etc.. for a smooth acquisition. But she did not stop there and today she continues to work relentlessly to help us solve tiny and common post-acquisition issues as we are not (yet) local residents. To us, this is invaluable. Anke goes above and beyond and we are very happy to introduce her to friends who are also considering an acquisition in the Marbella region as we know that Anke will take very good care of them. Thank you.

Anke - Jean-luc

I JUST WANTED TO WRITE A FEW WORDS TO THANK YOUR COMPANY AND ESPECIALLY EMMA AND SAM FOR ALL THEIR EFFORTS IN HELPING US FIND AND PURCHASE OUR NEW HOME. EMMA IS FANTASTIC AND WENT ABOVE AND BEYOND THE CALL OF DUTY. SHE NEVER LEFT ONE STONE UNTURNED , SHE HAS MADE THIS EXPERIENCE SO MUCH FUN , YET SHE IS SO PROFESSIONAL . THANK YOU AGAIN .

Emma Paterson - Marie and Kjell

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

BROMLEY ESTATES

Marbella.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on [+34 952 939 460](tel:+34952939460) ([+44 208 068 7606](tel:+442080687606)) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our [Golden Visa guide](#). But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference. Take a look at our [area guides](#) for more information

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to [get in touch](#). We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
