Overlooking the fairways from an elevated position, this spectacular frontline golf penthouse for sale in La Cala Golf Resort, Mijas Costa combines scale, light and privacy within one of the region's most established resort communities. The south facing orientation is a defining advantage here, ensuring consistent natural light throughout the day and enhancing both interior comfort and terrace usability.

The penthouse is arranged across two levels, culminating in a private upper floor dedicated entirely to the principal suite, complete with an expansive terrace of its own. This separation introduces a clear sense of independence, elevating the property beyond conventional apartment living. The main level centres on a bright open living and dining area, where wide sliding glass doors lead onto a generous south facing terrace with open golf views. A fully fitted kitchen and separate laundry area are integrated on this floor, alongside two well-proportioned bedrooms and a shared bathroom.

Double glazing, air conditioning and an integrated alarm system support year-round comfort, while 24-hour security within the gated community reinforces peace of mind. Two private garage spaces provide secure parking and convenience.

Residents have access to a communal swimming pool set within landscaped surroundings, complementing the wider amenities of the area. La Cala Golf Resort is one of the largest lifestyle destinations in southern Spain, recognised for its expansive fairways, controlled development and sense of space rarely replicated along the coast. Set within protected natural surroundings yet only a short drive from the sea, the resort offers a quieter, elevated environment without isolation.

Just ten minutes away, La Cala de Mijas provides a vibrant coastal centre with sandy beaches, an established promenade, quality restaurants and everyday services that support year-round living. The location also allows straightforward access to Marbella and Fuengirola, while Malaga Airport is comfortably reached in under thirty minutes, reinforcing the area's appeal for both permanent residents and international second home owners.

Frontline, elevated and intelligently arranged, the penthouse delivers on both lifestyle and investment value.
