21.61 m²

This apartment for sale in La Cala de Mijas, with sea, golf and mountain views, is set within an elevated residential development just a short walk from the town centre and coastline, offering a spacious, open setting and a peaceful atmosphere, along with access to a comprehensive range of on-site amenities. Designed to suit both full-time living and holiday escapes, it combines comfort, convenience and a relaxed Mediterranean lifestyle, with everything you need close at hand.

The stylish interiors are arranged with an open-plan configuration, where the kitchen, dining area and lounge form a single, well-proportioned space. Large sliding doors open onto a 21 square metre terrace, allowing the views to be enjoyed from both inside and out while bringing in natural light throughout the day. The kitchen is fully fitted with a modern finish, designed to sit naturally within the main living space.

The apartment includes three spacious bedrooms and two bathrooms, one of which is en suite. The space is arranged to create a natural balance between openness and privacy, allowing for easy day-to-day living

Marbella

while still remaining comfortable when guests stay.

Within the community, residents have access to an excellent selection of shared facilities, including several swimming pools, paddle tennis courts, a fully equipped gym and well-designed social areas for everyday use. Additional features include air conditioning, double glazing, private parking, a storage room, a video entry system and 24-hour security, supporting both comfort and practicality.

Set within one of the most established and consistently sought-after areas along this stretch of coastline, La Cala de Mijas blends a traditional village atmosphere with a well-developed range of amenities. Beaches, restaurants, cafés and local services are all within easy walking distance, while the promenade, local markets and surrounding walking routes create a setting that feels both active and well connected. Golf courses such as Calanova Golf Club are close by, with Marbella and Málaga Airport easily reached, reinforcing the accessibility of the location and supporting its ongoing appeal for both personal use and rental demand.

Everything about the apartment feels well resolved, with an open setting, a clear sense of space and a design that works naturally in everyday life. Combined with the quality of the community and the continued strength of La Cala de Mijas as a location, it is a property that feels carefully composed and superbly situated. Investing here means choosing long-term value and quality of life.
