The kitchen is fully fitted with a clean, contemporary finish, arranged in an open plan format that connects easily with the main living area. Features such as air conditioning, central heating, fitted wardrobes, and high-speed internet support both comfort and practicality, and the penthouse is presented in excellent condition throughout. The south facing orientation ensures consistent natural light across both interior and exterior spaces.

Designed to maximise outdoor living, the penthouse features a spacious solarium with a built-in barbecue and multiple seating zones, creating a versatile setting for both daytime use and evening gatherings, all with spectacular views across the coastline. Set within an exclusive, boutique gated development, residents also benefit from a communal swimming pool, landscaped grounds, providing both comfort and convenience.

With Cabopino Golf and Cabopino Marina just a short walk away, this sought after area offers a distinctive coastal setting defined by natural dunes, mature pine forests, and a more relaxed pace than central Marbella. The marina itself offers a curated selection of waterfront restaurants and cafés, complemented by some of the most appealing beaches on the eastern side of the coast. Direct access to the wider Costa del Sol makes this location ideal for those who value a quieter environment while remaining well connected to Marbella's dining, shopping, and social scene.

A property that combines elevated views, usable outdoor space, and a prime coastal position, delivering a lifestyle that is both practical and distinctly rewarding.
