lagoon shaped infinity pools surrounded by a beach with hammocks and a Jacuzzi and even a forest where you can spend the afternoon with friends and family enjoying a picnic.

Also included in the communal areas will be a Summer Chill Out area and a Nature Pavilion, which will feature services such as bicycle storage, information regarding cycling and hiking routes, vending machines with sports products... everything you will need to program a perfect day in the beautiful surroundings.

A unique feature of this stunning contemporary Higueron home project is that it will boast its own orchard and allotment where you can pick your own herbs and fruits (avocados, oranges, lemons, almonds, etc.) which will be naturally and organically cultivated to promote a healthy diet.

Don't miss out on an opportunity to visit this fantastic project. Call us today at Bromley Estates Marbella for your appointment.

Prices from 445,000 to 729,000 Euros
