Testimonials

Our family had dreamt about a winter home in Spain for quite some time. As I decided to retire, we contacted several agencies in the Marbella region to explore what might fit our needs. Very first conversation we had with Imogen left us with the feeling that she not only listens to us but also hears what is on our mind. I mean she did not flud as with expensive options first but rather provided a view of different types of opportunities and we changed our initial wish to suttle close to the beach to calm and sharmy Benahavis. She was so helpful with everything not only through the acquisition process, but later on as well helping us to understand how things work in the Marbella area. I guess everyone has the feeling that in some situations of our life destiny sends us right person. Imogen is that person for us, proud we became friends. Thank you, Imogen.

Emma spent two days with us early Aug ’20 viewing properties in the Fuengirola to Marbella region. Having listened to our likes and dislikes from the first few viewings Emma quickly gained an understanding of which properties could be suitable candidates to satisfy our requirements. Having an extensive knowledge of properties on the market and not being tied to a particular agent, meant that the viewing schedule became very flexible and relevant. This was particularly important because we were also on vacation and didn’t want to waste our time looking at ill suited properties. On the second viewing day, the property viewings became much more relevant and we identified the property which ticked our boxes. Emma quickly understood the offer to propose and how to secure the deal with a deposit agreement. Toward the end of Oct ‘20 we completed on the property purchase and Emma was present at the signing in the notary office. This is where Emma came into her own. Nothing was too much trouble and the after care service delivered was unrivalled in my 40 years of business experience. From driving us to the property after completion, to loaning us crockery and bedding and buying some food and drink basics, so we could stay the night in the property that very same night, we really couldn’t have been better looked after. It can be very daunting investing in a property abroad, needing the right property advisor is crucial, but not only did Emma excel in this matter by listening to our requirements and having an extensive knowledge and experience of the local property market, making the experience tailored and relevant, the genuine care and personal attention after the purchase, was a special experience and one I can say I haven’t experienced in many years of business and property dealings. I would without hesitation recommend Emma in not only finding your dream home in Spain but also in making the settling in experience so much more pleasurable.

We have just recently celebrated our one year anniversary on purchasing our dream holiday home in Estepona. Huge thanks to Taryn for helping to make it happen. Taryn could not have done more for us

during the process; from sending lots of options on email, providing video calls to show us properties whist we were in the Uk and lastly setting up the in person viewings when we got to Spain. Taryn made the whole process simple and fun and took a real care in making sure we had the best experience possible. As a result it made the potential daunting task of buying a property abroad easy. The service didn't just end at the point of sale, I was blown away with the aftercare, Taryn helped so much with things like being there for the snagging in the new apartment, setting up internet, even down to getting the locks changed. She still keeps in touch now to make sure everything is going well. We would highly recommend Taryn to anyone on purchasing their dream home on the Costa Del Sol.

I just wanted to drop you a quick note to thank you for your wonderful service while I was in the Costa del Sol shopping for a vacation property! I really appreciated your genuine commitment to helping me make the best purchase that was right for me and my husband. Thank you for spending so much time with me over my visit and being at the ready whenever I had a question or needed more information (or help with my GPS). You really went above and beyond and I am so grateful. My husband Kirk and I are thrilled with our choice and look forward to spending many more beautiful days in Spain (and he can't wait to meet you).

Mel was introduced to us through Bromley estates , and from the moment we met her she made us feel like old friends. Her warming personality, professionalism and knowledge of Costa del Sol was priceless.

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
