heating and individual climate control allow for comfort in your new home.

Opt for ground floor 2, 3 or 4 bedroom or 4 bedroom penthouse apartments. The master suite has been thought as a personal sanctuary with generous spaces that boast a completely equipped bathroom (shower and bathtub) walk-in closet or face to face wardrobes, and a large bedroom bathed by natural light thanks to a big window connecting with outdoor terraces.

Each of these contemporary Sotogrande apartments for sale comes with two interior parking garage spaces and one store room and there is a concierge service on site to help with your every need. There is a lift to all floors and this gated community has 24 hour security. Landscaped gardens feature local trees, plants and flowers for a real Mediterranean feel. There are two swimming pools with plenty of deck space to relax in the sun with friends and family.

The development, once complete, will offer owners a diverse range of amenities including a croquet lawn, running tracks and a community building to host activities and events. Future phases will include a gym, an indoor pool, kids club and amongst other things. If you would like more information about these contemporary Sotogrande apartments for sale or to reserve your favourite plot contact us today.
