Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

### **An impressive portfolio of real estate in Marbella**

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

### **New developments**

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5\* onsite facilities and amenities.

### **Contemporary properties**

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

### **Featured properties**

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

### **Price reduction properties**

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

### **Properties for sale in Marbella and beyond**

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

## Testimonials

I could never thank enough Emma at Bromley Estates Marbella and the team at the office for having found me the perfect place in Spain. After having made an enquiry through rightmove.co.uk. I received a reply by email (personalised, NOT computer generated) signed by Jay advising me that a member of staff would contacted me shortly to discuss my requirements. Soon after receiving the email the same Jay called me on my English mobile to discuss my requirements more in details . I was then advised that my file would be passed on her colleague by the name of Emma who would arrange for me to view properties that fit my requirements. I explained that I had a limited budget and that a garden had to be a must since I have two cats. The location would also have to be a priority as I don't drive and the property had to be within walking distance to local shops and the beach. I really believed that I was asking the impossible, but when I received a call by a lady called Emma. Emma sounded friendly and approachable, but came across also as being very professional and extremely knowledgeable of the Spanish housing market and different areas on the Spanish coast. She was positive that she would have found me the right place and it was her confidence and optimism than I then started to think that perhaps the right place for me was out there. I explained to Emma that I am a single woman who does not drive and who needs a base in Spain– as opposed to a holiday place – and she suggested that area of Calahonda would be best for me as it is very well serviced by a bus route that goes into Marbella, Malaga and Fuengirola. As I am not at all familiar with the area,

Emma dedicated the whole day for me showing me various properties and their relative shopping/restaurant areas. I would have expected this type of treatment for someone with at least five times my budget, but nonetheless I was treated with kid gloves throughout the whole day. Not only did Emma pick me up from my rented place (1 hour drive away from Bromley Estate Office), but I was even treated to a wonderful meal in a wonderful restaurant by the beach and a coffee in the port area of Cabopino. In just a few days she organised seven properties to be viewed on the same day confident that by the end of the day she would have found me the perfect place. And surely enough she did!!! A lovely, secure and elegant residence in Calahonda. Just the place I could have dreamed of on my budget. Nothing was too much trouble for Emma and all the staff at Bromley Estates. They were all highly professional, but approachable even for a buyer on a tight budget. I was made to feel special even when I walked into their plush offices in Marbella. Everybody knew me by name and their warmth made me feel at ease. Emma was present during the exchange of contracts with the vendor together with a representative lawyer of the Law firm they recommended. The sale went smoothly and I am more than pleased at the work carried out by the law firm. Everybody spoke perfect English at their offices and I will definitely be using them again for personal tax issues. I am so happy in my new home and I can now say with certainty that should have gone with a different estate agent I doubt very much I would have found the perfect place.

#### Emma Paterson Barbara

We contacted Bromley Estates in Oct 2017 as we were interested in buying an apartment in the Cala de Mijas area. Ben was extremely helpful providing details of potential apartments and more detailed updates on ones we had shortlisted. We arranged to visit the area in December and we were met by Steve, the local representative who took us to the properties we were interested in. Steve was extremely knowledgeable and professional and understood exactly what we were looking for. Having never bought abroad before, the whole process could have been very daunting but Steve's guidance made it very easy. We were delighted to be able to secure our dream apartment with Steve's help. He also helped us find a suitable local lawyer and has kept in touch since the purchase to make sure everything was progressing smoothly which is very reassuring. Thank you Steve, Ben and Bromley Estates.

We want to emphasize that we are very thankful for the warm welcome and the pleasant stay! Also we were very happy to have such a nice and professional agent who made our stay perfect

#### Maurice Boland Edith and Filimon

We just wanted to let you know what a truly fantastic experience we had in finding our dream property in Spain with Emma Paterson, in less than a week. Emma was professional, considerate, understanding and patient with us at all times, exactly what we needed. When we first met Emma, we thought we knew exactly what we wanted and where, having carried out our own research during previous visits. However, having spent a few hours with Emma and then driving us around and explaining the several pro's and con's of our chosen areas and then taking us back to the office to run through our list of viewings, we had to reconsider. Emma took the time to talk with us, understand us and our desired lifestyle in Spain, which enabled her to better advise us in our property search. Such was the detail of the knowledge that Emma has of all Areas, Urbanizations, Apartments, Communities and general living in Spain, it was both very

informative and priceless information. So, with Emma's guidance we set about tweaking the criteria slightly, but significant in terms of logistics, beneficial use and enjoyment of the property and community. Emma swiftly arranged for some further viewings and continued to do so through the week, as and when an appropriate property was found. During our week, Emma became our chauffeur, adviser, guide, confidante, lunch companion and above all a friend. Literally, nothing at all was too much trouble for Emma, everything she did for us was with considered sentiment, care and a good splash of humour in the right places, delivered with a beaming welcoming smile. Once we had agreed the price, Emma arranged for everything else we needed; Lawyer, Notary, property checks, etc., etc., and the high level of service did not stop once we left Spain. Emma is in constant contact and responded to our many emails, phone calls and WhatsApp messages, instantly, right through to completion a month later and still beyond. With Emma, we felt we got that special added value. We were unable to be in Spain for the purchase completion, so Emma actually arranged for changing the locks and holding the keys, setting up the alarm and security system, minor works, delivery of household goods and even offered to take us to the airport, just exceptional after sales service. With the buying process in Spain being quite different to the UK, we actually didn't appreciate how much help and advice we would need, but Emma was there every step of the way providing the guidance, answers to our questions and reassurance that we needed. If anyone is serious about buying a property in Spain, we would highly recommend that they choose Emma to ensure they get the very best attention and achieve their dream too. A truly delightful and rewarding experience. Bromley Estates have secured the "jewel in the crown" of Estate Agents in Spain with Emma Paterson.

Working with Antonio was a great experience, he made the entire process seamless for us. We especially appreciated his deep knowledge of the Marbella area. He did a thorough job of helping us find our dream property, keeping us updated and walking us through every step of the purchase process. He is highly professional, meticulous, and very supportive of his clients. He was always available to answer our questions and concerns promptly, and spent days showing us many wonderful properties until we found the perfect one. A credit to the real estate profession.

#### Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

Marbella property, at the best possible price.

## How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

## Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

## Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

## Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

## How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
