a relaxing scenery, while bringing in natural light and fresh air, bringing you closer to nature.

Completed with modern design finishes throughout, creating a unique feeling of simplistic, spacious living, these apartments enjoy resort-style community areas including beautiful, sustainable gardens, benefiting both residents and the environment, a fabulous swimming pool for those hot summer days, a fully equipped gym, a sports field and two amateur pétanque courts. Owners will also be able to enjoy the club house, where health and wellness is a priority, and which will include a social area and a café to hold events and build community among residents, together with a spa and sauna and additional facilities. You can choose to enjoy the tranquillity or engage in an abundance of activities and fabulous opportunities to please most residents.

This development has been designed to create environmentally friendly, energy-efficient, high-quality homes incorporating energy saving solutions that offer superior thermal performance reducing heating and cooling energy demand to a minimum, and enabling residents to live sustainably in harmony with nature.

The apartments are just minutes away from everything the New Golden Mile has to offer, including world-class dining, shopping, entertainment, scenic beaches, schools, health centres and some of the best golf courses in Andalucia, together with a whole host of leisure services and facilities to enjoy an active lifestyle. Marbella and Puerto Banus can be reached in just 10 minutes and Malaga airport is a 45-minute drive away.

This could be the perfect setting for you to enjoy Estepona's New Golden Mile as a full-time resident or as a holiday home!
