These luxury penthouses and apartments in Marbella are designed by acclaimed architects Villarroel Torrico. The contemporary cutting edge exterior and open plan minimal interior lends itself perfectly to today's aesthetics, functionality and the desire to be close to nature. Open plan living room bathed in natural light afforded by enormous double aspect windows and patio doors that slide back uniting the interior and exterior to create an impressive living space. The windows also serve as a frame for the spectacular sea views. Layout, number of bedrooms and features will depend upon the type of property you choose: penthouses have a roof terrace, all properties have a fantastic private Jacuzzi.

The outside space offers beautiful open and covered terraces ideal for entertaining, al-fresco dining, soaking up the sunshine or cooling off in the Jacuzzi, whilst marveling at the views. Shade and decoration is provided by attractive pergolas and the glass walls guarantee optimum views from all angles.
