Luxury development of 18 sustainable villas in the exceptional location of Real de La Quinta, where the views towards Gibraltar and Africa are arguably among the best in the world. The setting is unique, with Marbella's iconic La Concha mountain on one side and the exclusive La Zagaleta Country Club & Golf estate on the other, bordering a UNESCO biosphere reserve and just a 15-minute drive from Marbella.

Only a 35-minute drive from Málaga airport and overlooking Marbella you will find a stunning residential estate with amazing views across the blue waters of the Mediterranean towards the Strait of Gibraltar.

The generosity of the individual plots for and the carefully thought-out orientation of each Luxury Real de la Quinta villa ensures complete privacy and spectacular views. This is an exceptional location in an exceptional part of Southern Europe.

BROMLEY ESTATES

Marbella

These luxury homes will be quite unlike anything that has gone before. In a climate that lends itself to outdoor living, these villas will work as well outside as they do inside, if one can tell the difference. The outside/inside concept is found throughout each of these Real de La Quinta villas, with the lounge and terrace seamlessly merging into one huge living space.

This exceptional development of luxury villas offers a lot more than a five-star lifestyle and magnificent views. It also offers the priceless commodities of space in abundance and clean air in beautiful natural surroundings. The amenities at Real de La Quinta combined with the facilities of each individual villa – large private pool and garden, superlative terraces and space for entertainment rooms and offices – mean that owners never need to leave the resort unless they want to. It's an oasis, a true haven where comfort and quality of life is assured, regardless of what might be going on in the wider world.

This luxury home development occupies 6.5 hectares of the 200-hectare estate that makes up Real de La Quinta in the idyllic foothills of the Sierra de la Nieves overlooking Marbella. Exceptional positional design allows for views over a lake, La Concha mountain, golf courses, the Spanish coastline to Gibraltar and the continent of Africa beyond, all while sitting in one's own lounge.

Add to this the extras offered such as individually tailored interior design solutions for the whole villa, inside and outside really allowing you to put your individual stamp on these fabulous properties on the Costa del Sol. If you can see yourself living in one of the worlds leading destinations as far as quality lifestyle goes, within 35 minutes of one of Europe's busiest international airports then contact us today to arrange your bespoke tour.
