Fast becoming one of the Costa del Sol's preferred destination Estepona awakens every morning to the usual hustle and bustle, the market, nearby shops, restaurants preparing their terraces to welcome visitors. The best thing about Estepona is its people, ever welcoming and friendly to visitors, hard workers, and lovers of life. Just a 45 minute car trip to Málaga's international airport, 20 minutes to Gibraltar airport in the other direction, it's no wonder so many choose Estepona as their second home, not to mention the close proximity of Puerto Banus and Marbella which can be reached in just 15 minutes.

Redefining Mediterranean life which is reflected in the architecture of this brand new Estepona development just a stone's throw from La Rada beach, a 2.4 km sandbank in the heart of the Mediterranean, offering all the amenities you would expect from an area in such demand.

With just 23 apartments in a fantastic central location of Estepona these properties are sure to sell quickly.
