This fabulous new development in La Quinta is a unique building with only 14 gorgeous 3 bedroom apartments and penthouses, all with large terraces, nestled on a pretty hill and facing east towards the Golf Valley, with an exclusive sense of privacy that you won't find at any other development in the area.

Landscape-style terraces merge into the living rooms of each home with large patio doors to make the most of the natural light available, as well as to enjoy the spectacular views outside, with the homes benefiting from the beauty of the surrounding scenery, providing a sense of relaxation and tranquility for residents to enjoy.

The apartments in this contemporary development have spacious living rooms and a bright main bedroom with en suite bathroom along with a second bathroom for the other two bedrooms. The five penthouse apartments also boast an amazing private solarium area which allows the owner to choose from numerous options to make the most of the space.
