Within walking distance there are several shops, restaurants, a supermarket and a petrol station.

Estepona has a full range of shops, sports facilities, good restaurants and other amenities. Estepona also has a wide variety of beautiful beaches and the nearest beach is within walking distance of less than 500 metres from development

BROMLEY ESTATES

Marbella

These fabulous contemporary Estepona apartments offer a unique architecture with well thought out layouts, large outdoor spaces and bright sun drenched terraces, after all, you are buying an apartment on the Costa Del Sol. The apartments are south, south-west orientated and look out over the expansive landscaped communal gardens, swimming pools, towards the coasts with most of the units offering sea views.

Offering a high quality product, both in the design of the exterior and the conception of the interior spaces. The three buildings are designed in the Mediterranean tradition, but completely modern: white buildings with large terraces, where the transition from inside to outside is fluid, due to extra-large sliding doors that connect the terraces to the interior of the apartments, with the idea of forming one space. For the terraces, maximum sunlight was sought, while shady and semi-shady areas were created by means of pergolas, which are fundamental compositional elements of the complex.

The apartments are equipped with all modern comforts and technologies, aimed at a comfortable and quality lifestyle. The spacious Estepona homes, are full of light, designed on the basis of a careful study and unique architecture. This particular penthouse has a private plunge pool-
