These trendy new Costa del Sol apartments can be found on the western side of the Costa del Sol. Offering pleasant sea views, the three bedroom homes are in a gated community that's just a short walk from shops, bars, restaurants, local amenities and, of course, picturesque sandy beaches.

However, one of the bestselling points of these Costa del Sol apartments is how close they are to Duquesa Marina. Here you will discover a charming port built in the style of a whitewashed Andalusian village, filled with everything you would expect from a marina and more. Also nearby, which will delight sport's enthusiasts, are a number of golf and tennis clubs to help maintain that healthy Costa del Sol lifestyle.

These Costa del Sol apartments come with south-facing covered terraces allowing the owners to soak up the sun, enjoy al fresco wining and dining, and take in the spectacular mountain and sea views on offer. The
