These contemporary and ultra-sleek sustainable villas for sale with sea views offer exquisite architecture and design in sophisticated homes that seamlessly blend form, function and efficiency.

With its eco-friendly design, without compromising on comfort and luxury, this stylish villa is the perfect home for hosting gatherings with family and friends. The villa forms part of a project consisting of 5 luxurious contemporary villas for sale, with a strong focus on sustainability and offering spectacular sea views.

Set on a hilltop behind Fuengirola, this villa, incorporating sustainable design concepts, is designed to maximise natural light, which is achieved with floor-to-ceiling windows and glass doors, also offering unobstructed views of the sea and mountains.

The state-of-the-art energy-efficient construction with an effective ventilation strategy, has an open plan concept and a flexible floor plan, which includes 4 or 5 bedrooms, one bathroom, a guest toilet and a
