These impeccable Scandinavian-inspired 3 bedroom 2 bathroom homes for sale with stunning sea views in Mijas Costa create a harmonious space with neutral, laid-back ease.

The complex, made up of 13 townhouses expertly blended into the natural surroundings, provides energy efficient and sustainable spaces, with homes equipped with premium energy-saving features.

These unique south facing homes in Mijas Costa boast an open-concept living room with a classic and timeless design and a kitchen equipped with chef-grade appliances. The living area appears minimalistic, clean, and light-drenched thanks to the large, floor-to-ceiling glass doors opening out onto the spacious terrace area enjoying panoramic sea views.

The modern organic design of the bedrooms creates a beautiful space that is cosy and polished and the homes come with two designer bathrooms and a guest toilet.

All the townhouses in this Mijas Costa development have a private jacuzzi on the relaxing rooftop terrace to

Marbella.

enjoy the far-reaching sea and mountain views and sunsets. Other features include underfloor heating throughout, double glazing, a private garage with 2 parking spaces, a utility room, air conditioning, a storage room, and surveillance cameras.

The communal areas in this secure gated complex in Mijas Costa include a saltwater swimming pool and manicured landscaped gardens, blending beautifully into the area with lush trees and a park area for residents to enjoy the outdoors.

Designed in perfect harmony with nature and with sustainability in mind, this brand new development in Mijas Costa has an excellent location. It is within easy reach of the coast's white sandy beaches with a fine selection of beach bars, schools, a generous choice of restaurants, cafeterias, shops and an array of top-notch golf courses and only a 10 minute drive to the lively town of Fuengirola or Marbella with its designer stores and the luxurious Puerto Banus marina. It is also just a short distance from the pretty village of La Cala de Mijas and Malaga airport is a 25 minute drive away.

This is the perfect home choice for those looking for architectural quality and energy efficiency.
