Immersed in the glamour of Marbella's town centre and surrounded by world-class boutiques, elegant dining, and iconic landmarks, these brand new contemporary apartments for sale in Marbella town offer sophisticated living in an urban environment.

These two/three bedroom two bathroom apartments in Marbella offer elegant interiors and the highest quality natural materials to create an elegant home with beautifully conceived details. The simplistic and elegant arrangement of the open concept living area incorporates a designer kitchen with a bar and dining area and expansive windows maximizing light and creating the feeling of spaciousness.

These Marbella apartments integrate high quality materials, with large-format porcelain floors, floor-to-ceiling aluminium carpentry and premium sanitary fittings and fixtures in the bathrooms. Other features include an aerothermal air conditioning system, underfloor heating and home automation, with interiors that can be customised to suit clients' lifestyles, needs and tastes.

Each apartment comes with a parking space in the basement and a storage room, accessible through the lift connecting all levels of the building. The building will also offer a co-working space to foster connection
