This brand new development of luxury villas for sale on the New Golden Mile features contemporary architecture through a sophisticated and functional design, creating a serene space in harmony with nature.

These energy efficient homes are contemporary in character, with walls of glass opening onto generous terraces, lawns, and a stunning private swimming pool, providing the perfect spot to relax and soak in the natural beauty, while enjoying the views overlooking the golf course. Exceedingly comfortable for very private day-to-day living, the villas are equally suited to entertaining.

The luxury villas feature beautiful interiors with a free-flowing and versatile open floor plan, integrating the light-filled living room, dining area and modern kitchen with breakfast bar, creating a wonderful sense of space. The villas offer 4 spacious bedrooms and 4 bathrooms equipped with premium quality fixtures and fittings and underfloor heating, a basement with a multiuse room with natural light, a bathroom and tech room, offering many options. Additional features in these villas include a dressing room with the master bedroom, air conditioning, a photovoltaic solar energy system and electric blinds, among others.
