BROMLEY ESTATES

Marbella.

The secure gated residential community has sustainability at its core and features energy-saving solutions in the apartments. Residents can enjoy the wonderful garden areas full of native plants with meticulous landscaping, contributing to an overall sense of calm and blending seamlessly with the surrounding environment.

The development also features a refreshing infinity pool and a gym for health and fitness enthusiasts. Additional highlights in these apartments include an allocated parking space and storage room and generous terraces to enjoy the sea views and get the most out of your outdoor space all year round.

The apartments are situated in La Cala de Mijas, located between Fuengirola and Marbella. The former fishing village has developed into a vibrant community, while still retaining its traditional seaside village feel. Here you will find pristine beaches, a wonderful selection of restaurants, cafeterias, shops, health centres, street markets and some of the finest golf courses on the Costa del Sol and these apartments are just a ten-minute drive from all of this.

With Malaga International Airport just 20 minutes away, this is an excellent opportunity for those looking for a lock-and-leave second home in La Cala de Mijas that is easy to maintain or those wanting to live a holiday lifestyle all year round.
