this a truly exclusive environment. Residents can enjoy spacious communal garden areas and a swimming pool for both adults and children, perfect for outdoor activities and relaxation. The complex also features a gym and social area providing modern, functional spaces for fitness and social events without leaving home.

Energy efficiency is a key feature of these residences, ensuring both cost savings and environmental benefits. Each home is equipped with underfloor heating, providing consistent warmth while maintaining energy efficiency. Additionally, a centralised high-efficiency aerothermal system is in place for the production of domestic hot water and heating.

Located in Mijas, a golfing paradise with courses for all skill levels, this complex is strategically positioned. It is a short drive from Marbella and Fuengirola, and just 30 minutes from Malaga airport. The excellent connection via the A-7 and easy access to the AP-7 toll motorway allow you to explore nearby attractions.

Located between the sea and mountains, the area enjoys a warm and sunny climate, perfect for relaxing on golden sandy beaches or engaging in water sports. La Cala de Mijas is within easy reach and offers a vibrant local scene with a wide range of services and shops, including street markets, supermarkets, health centres, pharmacies, educational, cultural, and sports facilities, among many others.

With breathtaking views of the Calanova golf course, modern amenities, and a prime location, these homes offer an unparalleled lifestyle on the Costa del Sol.
