BROMLEY ESTATES

Marbella

Within the secure gated community, 54 modern apartments form the heart of the development, complemented by landscaped gardens, a sea-view pool, and both indoor and outdoor parking options. The project's first phase is scheduled for completion in March 2027, making it an ideal choice for families seeking a permanent residence or investors looking for promising rental opportunities in the Costa del Sol's thriving market.

With features such as double-glazed windows, LED spotlights, arothermal heating, and pre-installation for electric vehicles, these homes combine modern technology with sustainable living.

Just a short drive away, residents can enjoy the upcoming Gran Parque Costa del Sol, sun-soaked beaches, top golf clubs including La Cala Golf, El Chaparral, Cerrado del Aguila, and Mijas Golf, as well as abundant shopping and dining. Marbella, Benalmadena, and Fuengirola bring lively coastal living and amenities, with Malaga offering both cultural depth and easy access through its international airport, strengthening the area's appeal for second homes and rentals.

Every detail of these homes is designed to support a lifestyle that is both enriching and adaptable, providing residents with a distinctive blend of comfort, versatility, and a close connection to the region's natural beauty and cultural highlights.
