Dedicated parking spaces and storage rooms provide practical convenience.

BROMLEY ESTATES

Marbella

Outside the community is designed as a retreat, where infinity pools invite you to unwind in sunlit surroundings while children enjoy their own safe area. For cooler days or quiet mornings, a heated indoor pool with counter-current technology and a spa area offers a revitalizing escape. Fitness enthusiasts will appreciate the fully equipped gym and versatile training spaces, while golf lovers can practice any day of the year in the immersive golf simulator.

This development also nurtures social connections and creativity. The co-working space offers a bright, inspiring environment to focus or collaborate, and the stylish social lounge provides a backdrop for intimate gatherings or celebrations. Landscaped gardens, a solarium, and dedicated chill-out areas complete a lifestyle where relaxation and community coexist.

These apartments place you just minutes from Mijas Costa's pristine beaches, world-renowned golf courses, and a wealth of everyday conveniences including shopping, dining, schools, and healthcare. Located in one of the most visited and vibrant areas of the Costa del Sol, Riviera del Sol attracts travellers from around the world while maintaining its relaxed local charm. Excellent connections to Marbella, Fuengirola, and Malaga Airport ensure that the best of the coast, from bustling resorts to hidden beaches, is always within easy reach.

Thoughtfully designed spaces, exceptional amenities, and a prime location combine to create a development that serves as a launchpad for the best of the Costa del Sol, offering homes ideal for personal enjoyment or high-demand short- and long-term rentals.
