Modern coastal living takes shape in a new residential community offering contemporary apartments for sale in Carvajal, Fuengirola, just moments from the shoreline. Here, the calming presence of the sea creates a lifestyle that feels both vibrant and relaxed. A short stroll leads to the beach, while Malaga International Airport and Marbella are within a 20-minute drive, placing the best of the Costa del Sol within easy reach.

Comprising 42 beautifully designed homes, the development offers a selection of one, two, and three-bedroom apartments, each designed to balance light, space, and privacy. Expansive windows open the interiors to wide views across the surrounding landscape, while generous terraces extend daily life into the open air. The result is a living environment defined by clarity, proportion, and a natural sense of ease.

Terraces create an additional layer of living space, perfect for morning coffee in the sun or evening gatherings as the Mediterranean breeze drifts through. Interiors are designed to maximize light throughout the day, enhancing the open, airy atmosphere while preserving intimacy and a sense of retreat.

In addition to everything Fuengirola has to offer, the development provides a considered selection of communal amenities that enhance daily living. A fully equipped gym supports an active routine, while the spa area offers a tranquil setting for rest and wellbeing. A contemporary coworking space caters to modern work patterns, providing a professional environment within the comfort of the community. Alongside these shared facilities, quieter corners allow for pause and reflection, creating a residential setting that prioritises balance, comfort, and long-term quality of life.

Fuengirola is a cosmopolitan coastal town enriched by decades of international living, with a long-established mix of nationalities calling it home since the 1960s. Its compact layout places beaches, shops, restaurants, leisure facilities, and services within easy reach, while several renowned golf courses lie just a short drive away. Well connected to Málaga, the airport, and the rest of the Costa del Sol, the town offers a practical, well-rounded setting that supports both permanent living and extended stays, combining local character with a genuinely international atmosphere.

Set for completion in the second quarter of 2028, these apartments are perfect for those seeking a contemporary coastal residence that embraces wellbeing, modern design, and the subtle rhythms of life by the sea, without ever compromising on quality or accessibility.
