These contemporary apartments for sale in Mijas on the Costa del Sol offer a rare opportunity to enjoy modern design, generous outdoor space and a lifestyle connected to nature, all within a peaceful residential setting close to the coast. Designed to maximise natural light and comfort throughout the year, the homes feature spacious terraces that extend the living space outdoors, creating bright and inviting interiors that embrace the Mediterranean climate.

The development offers a collection of 50 thoughtfully designed homes with one, two and three bedroom layouts. Each apartment has been carefully planned to combine functionality with modern aesthetics, providing comfortable open living areas and terraces that become a natural extension of the home. These outdoor spaces are ideal for relaxing, entertaining or simply enjoying the sunshine and open surroundings.

Residents benefit from a range of shared amenities designed to support both wellbeing and social living. A wellness centre includes a fitness area, Finnish sauna and changing rooms with showers, creating a space

dedicated to health and relaxation. The community also features landscaped garden areas and a multifunctional swimming pool, offering a pleasant setting to enjoy the warm climate.

A covered social area with indoor kitchen and outdoor barbecue zone provides an ideal space for gatherings with friends and neighbours, while a versatile indoor lounge can be used for meetings, coworking or community events. Private parking and storage rooms are included, ensuring everyday convenience and practicality for residents.

Just as appealing as the Costa del Sol apartments themselves is the lifestyle offered by their location. Set in a peaceful elevated residential area with open views, the development remains close to everyday amenities including schools, pharmacies and health centres. Shopping areas and services are only a short drive away, while Fuengirola and its train station are easily reached. From here, regular connections run along the coast to Málaga Airport and Málaga city, stopping at several popular resort towns along the way.

This convenient transport link makes the area particularly attractive for both full-time living and holiday homes, and new developments in this part of Mijas continue to attract strong interest from both homeowners and investors seeking modern homes on the Costa del Sol.
