Located close to the town centre, these contemporary apartments for sale in Estepona on the Costa del Sol are set within one of the most attractive residential areas along the Mediterranean coast. The development combines contemporary architecture, generous outdoor spaces and carefully designed interiors, creating homes that bring together comfort, functionality and a connection to the surrounding landscape.

The development includes sixty homes with two and three bedroom configurations, comprising ground floor residences with private gardens, spacious first floor apartments with large terraces, duplex homes with solariums and penthouses with expansive outdoor areas and panoramic views. Each home has been designed to maximise natural light and strengthen the connection between interior and exterior spaces. Ground floor residences extend naturally into private gardens, while upper level apartments and penthouses benefit from generous terraces that provide space for dining, relaxing and enjoying open views across the surrounding landscape and, in some cases, the sea.

BROMLEY ESTATES

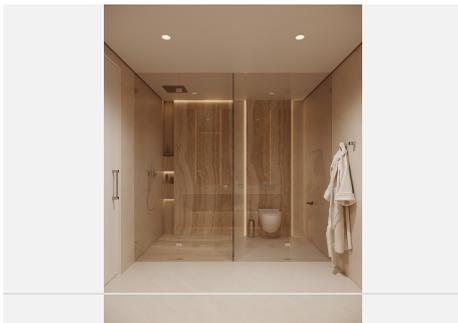

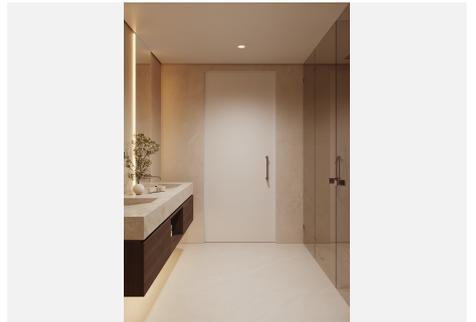

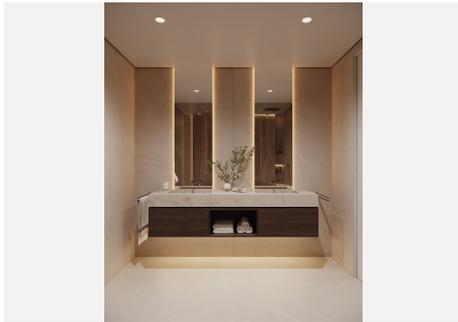

Marbella

The architecture reflects a contemporary Mediterranean approach, combining clean lines with natural materials and carefully considered layouts. Interiors have been designed to prioritise functionality, light and comfort, creating spaces that feel both modern and welcoming. High construction standards and quality finishes ensure long-term durability and everyday practicality for residents.

The setting is a defining feature of this development. Located within one of Estepona's most vibrant residential areas, the community enjoys convenient access to beaches, restaurants, shops and everyday services. International schools, healthcare facilities and sports clubs are all nearby, while the natural landscapes of the Sierra Bermeja mountains provide opportunities for hiking and outdoor activities.

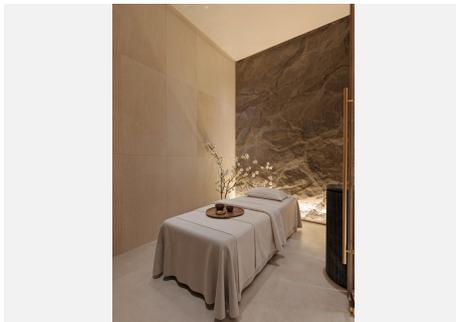

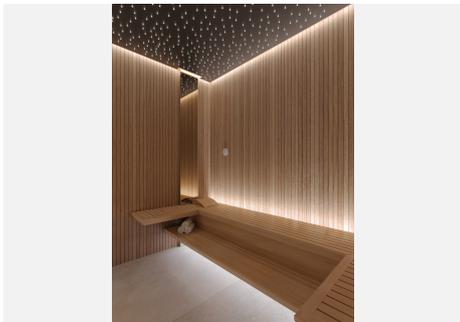

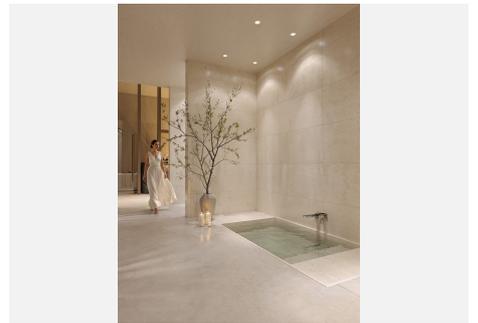

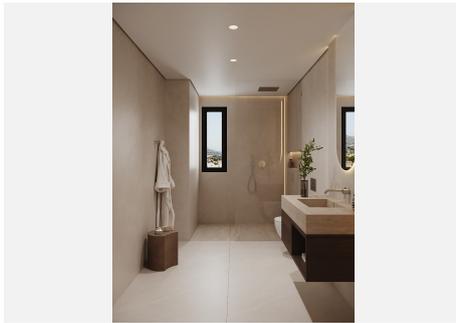

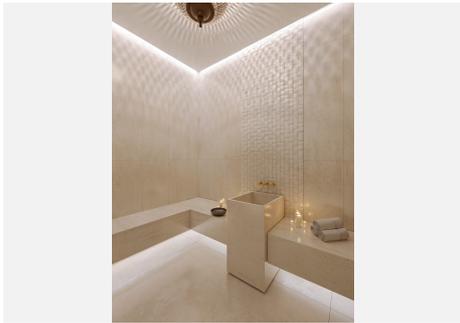

Estepona itself has become one of the most attractive destinations on the Costa del Sol, known for its charming old town, lively marina and long stretches of coastline. Marbella, Sotogrande and Malaga airport are all easily reached, making it an area that works equally well as a full-time residence or a place to return to throughout the year.

Combining contemporary design with a setting close to the town centre, these homes provide a natural connection to the character and atmosphere of this stretch of coastline.
