Real Estate Marbella

Searching for your dream property in Marbella? We're here to help.

Bromley Estates is a premier real estate agency on the Costa del Sol. Since our establishment over 10 years ago, we have gained unrivalled knowledge of the region and extensive experience in Marbella real estate. Our aim is to provide a service that goes above and beyond our customer's expectations. And, whatever your needs or wishes, we guarantee we will find the ideal Marbella property for you.

An impressive portfolio of real estate in Marbella

First and foremost, luxury is our area of expertise here at Bromley Estates.

We specialise in spectacular, high-end properties in Marbella and the surrounding neighbourhoods, with our luxury collection including the crème de la crème of Marbella real estate.

These are properties that truly take your breath away. Located in prestigious areas – including La Zagaleta, New Golden Mile and Sierra Blanca – they combine elegant style with state-of-the-art features and are the perfect setting to lead an exclusive Marbella lifestyle.

However, as a leading real estate agency, we have excellent knowledge of Marbella's property market as a whole. Our team of experts continuously search the market, seeking out the latest listings and ensuring we have the perfect property to suit all of our client's requirements. Aside from our selection of luxury properties in Marbella, we also keep our portfolio up-to-date with:

New developments

We have a comprehensive selection of off-plan apartments, town homes and villas for sale in Marbella – all built to the highest possible standard, with the option to choose your own fixtures, fittings and materials in some cases. These are located in beautiful gated communities – in some of the most sought-after areas along the coast – and typically provide access to a diverse range of 5* onsite facilities and amenities.

Contemporary properties

For those looking to move immediately, we also have an extensive selection of contemporary real estate in Marbella. These properties are either newly built or recently renovated and, as such, boast a superb finish. They have a fresh, modern design and come fitted with all the latest mod cons. What's more, they're situated in some of the most popular areas in the Costa del Sol.

Featured properties

Our featured properties include a diverse range of apartments, townhouses, mansions and villas for sale in Marbella and the surrounding Costa del Sol areas. These are located in enviable locations, either by the

beach or in the lush Andalusian countryside. Whether you'd like a high-end contemporary property or a traditional Spanish home, there's bound to be something to suit you.

Price reduction properties

Lastly, we also have a selection of reduced properties for sale in Marbella. These are typically priced below market value, to encourage a quick sale, and come with a much more affordable price tag. But that doesn't mean they compromise on quality. And if you're dreaming of a beautiful luxury home in the sun, or an investment property, but have a limited budget to work with, they could be the ideal option for you.

Properties for sale in Marbella and beyond

Our portfolio primarily lists villas and apartments for sale in Marbella as these are in high demand

Known as the 'millionaire's playground', Marbella is renowned for its extremely opulent and luxurious properties – particularly in the areas of Puerto Banús, Golden Mile, Sierra Blanca and La Zagaleta. And if you'd like to rub shoulders with the rich and famous, this is the place to be.

However, the Costa del Sol stretches approximately 100 miles from Nerja in the east to Gibraltar in west. And our portfolio features properties from many resorts between the two, including Estepona, Mijas, Alhaurín el Grande, Benalmádena, Calahonda, Sotogrande, Torremolinos, and more. Therefore, whatever your preferences in terms of budget, area or lifestyle, we can certainly help.

Testimonials

My wife and I are in the process of finding our retirement home in Spain. We found Ana at Bromley Estates and have been extremely happy with her attention to our house-hunting needs. Attentive, knowledgeable and very focused on our needs, Ana is an exemplary model of what an agent should and can be. My wife and I wholeheartedly recommend Ana to help you with your real estate needs. Thank you, Ana.

Having decided on buying a property in Spain, I Googled some estate agents and chose one with multiple properties for us to view. Made contact and arranged to meet when we visited Costa del Sol Bank Holiday weekend. We chose around 8 properties to view. In the meantime, a friend recommend Bromley Estates as they had sold a property to a friend of a friend and he had a great experience. I'm so glad we got this recommendation. Emma at Bromley Estates contacted us several times before we flew out to find out the type of properties and areas we wanted to consider. We were only considering Benalmadena Pueblo. Emma picked us up from the airport on Friday night and took us to several apartments and town houses, new builds and old. By the end of the afternoon/evening Emma had taken the time to find out exactly the type of property that would make us say Wow! Saturday morning we were booked to see the other estate

agent and very much looking forward to viewing the 8 properties. You can imagine our disappointment when we were picked up by someone we hadn't spoken to before our trip, told us they cancelled all the properties as they didn't believe that's what we were looking for and proceeded to take us to a new development called Serenity that is to be finished in 10 months – 2 years time. No, no, no. That's not what we asked for. An hour later we were back at our hotel. Emma to the rescue. I called her and told her what had happened, give me ½ an hour she says, I'll pick you up. So off we go again with Emma to view more properties. After exhausting everything that was available in the area we had set our heart on, Emma suggested we take a drive. She took us to Calahonda and La Cala and gave us so much information, showed us the beaches, the bars, the restaurants, even the local butchers. We loved it there and realised that this area suited us much better than Benalmadena Pueblo. Final property of the day was a gorgeous 5 bed town house in Calahonda. We fell in love. Beautiful. However, it was slightly over budget. Sunday morning I emailed Emma to say we love the property but would like to see more in that area to see what else is available. With Emma, nothing is too much trouble. I'll pick you up at 9.30. So, on a Sunday Emma was making the relevant calls to get us viewings for Monday morning. Again Emma arrived to pick us up and take us to another handful of properties, then back to the beautiful 5 bed town house. We bought. I can't recommend Emma and Bromley Estates enough. They certainly took good care of us and there was absolutely no pressure to buy. Both my partner and I felt that they had our best interests at heart and wanted to find us a property we wanted to buy, rather than trying to sell us any property. Thank you Emma. One in a million. You're always welcome at our gorgeous place in the sun.

Svetlana and the whole team at Bromley Estates are exceptionally professional, knowledgeable and a great pleasure to work with. Svetlana is so responsive, patient and went above and beyond to make us happy, helping us narrow down our search criteria and assigning Antonio to find us our dream property in the sun. She had great knowledge of the process and was very helpful guiding us through it. Her friendliness and professionalism won us over. We are very thankful for this smooth and exciting experience with Bromley Estates. We highly recommend them.

My husband and I have recently purchased a property in Marbella through Emma. From the first moment we spoke to her, we knew we were in good hands and she is not only very professional but her knowledge and support throughout the whole process has been second to none. We currently live in Hong Kong and even with the distance in mind, we felt very well taken care of and as if we were here main priority the whole way through. As far as customer service levels go, it doesn't get any better than this experience. I made the trip to Marbella from Hong Kong last week having been in touch with Emma for only a few days. This in itself

shows how she was able to pinpoint exactly what it was that we were looking for, bearing our budget in mind. She held my hand for the entire week that I was here showing me the plot, meeting with the developers, architects and lawyers and even assisted with my trips to and from the airport. She went above and beyond and as I was alone without my husband and children, she made me feel very safe and supported the whole time. She also provided me with advice on the local schools which ultimately has led me to choosing the one that I would like my children to attend. All in all, my husband and I only decided to consider Marbella as a place to move to just three weeks ago, and in that time we have not only decided that this is a good place for us to relocate our family to but we have also bought a property. Emma has made this an easy decision for us to make and she is entirely responsible for this happening so quickly. She has been an absolute pleasure to work with and we are looking forward to the completion of the property so that we can make the big move over to sunny Spain.

Dear Melissa,

Thank you so much for helping us find our second home in Spain.

I can only say you have been

- 1- Highly professional.
- 2- Very knowledgeable about the area.
- 3- Very caring in terms of the customers needs.
- 4- Very efficient.
- 5- Very accommodating.

Melissa you are the best in the business as far as we are concerned you never pushed us in to anything we didn't like and made sure that what we were about to sign for is exactly what we wanted. We have dealt with a few agents in Costa de Sol who have been nothing short of pushing to sell properties that we didn't like. Thank god we found you who understood our needs. Above that you are a warm wonderful person that gives comfort to clients who are buying properties in Spain which can be challenging to say the least. We will be defiantly recommending you to our friends and family should they be looking to buy property in Spain. Keep up the excellent work ethics that you possess.

Melissa - Mr and Mrs K November 2021

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earned such a good reputation, amongst both clients and developers alike.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-

most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
