BROMLEY ESTATES

Marbella.

Inside the light bright interiors are open plan and wherever you turn there are fabulous views – as such you feel connected to the great outdoors. The kitchen blends into the sleek design and offers high quality appliances including a large American refrigerator. A feature fireplace adds to the ambience and will make the whole area cosy in the cooler months.

The developer has gone to great lengths to make the most of outdoor areas here with spacious terraces that wrap the properties with magnificent sea and golf views. These large open plan spaces let natural light flood into this contemporary development of townhouses and apartments in Estepona with external non-slip tiles and glass balustrades that only serve to emphasise the stunning views.

Bedrooms are light airy and spacious with the master suite featuring a stylish and modern en-suite, dressing room, wardrobe with LED lighting and terrace with sea and golf views. Penthouses and townhouses also feature bathrooms with rain shower, suspended toilet, hidden cistern and whirlpool.

Those uninterrupted views take in the landscape from Marbella to Gibraltar and the coast of Morocco. The panoramic view of the Mediterranean is something you could wake up to everyday living here. Each of the properties benefit from views to the sea and to the golf, and are south/southeast facing to make the most of the sun.

Outside there is a magnificent Infinity pool with fantastic sea views. From this contemporary development of townhouses and apartments in Estepona you can while away the hours here in your own Mediterranean paradise. For your comfort and security there is an automatic access door with controls for opening. Garages have a recharging point for electric vehicles and there are large individual storage rooms.

This select development will prove popular as an investment or as wonderful homes so talk to one of our team today for more information.
