Testimonials

Working with nice people that really know their profession is something that made buying our dream home even better. I cannot overstate what a pleasure it was to work with Sandra and her colleagues at Bromley Estates and how having her guidance enhanced our home buying experience. We can't thank her enough for her assistance. She was attentive to our needs and tireless in her work ethic. Highly recommended!

Sandra - Sarah

We visited Marbella during a week in March 2022 with the purpose of viewing apartments for sale. Maurice was our guide during those days and he took us to a number of properties fitting our requirement. We were very happy with Maurice as he did not waste our time viewing unsuitable properties or took us to visit sub-standard apartments. He had a good relation with all agents and made sure all our inquiries were answered. We ended up by buying one of the apartments he showed us and after our takeover Maurice has been very cooperative when we raised issues following the purchase. Everything has been solved to our full satisfaction. We would recommend Maurice as he is very pleasant to be with, honest about the properties and also taking his time to show us the neighborhoods of the prospects we visited.

Emma spent two days with us early Aug '20 viewing properties in the Fuengirola to Marbella region. Having listened to our likes and dislikes from the first few viewings Emma quickly gained an understanding of which properties could be suitable candidates to satisfy our requirements. Having an extensive knowledge of properties on the market and not being tied to a particular agent, meant that the viewing schedule became very flexible and relevant. This was particularly important because we were also on vacation and didn't want to waste our time looking at ill suited properties. On the second viewing day, the property viewings became much more relevant and we identified the property which ticked our boxes. Emma quickly understood the offer to propose and how to secure the deal with a deposit agreement. Toward the end of Oct '20 we completed on the property purchase and Emma was present at the signing in the notary office. This is where Emma came into her own. Nothing was too much trouble and the after care service delivered was unrivalled in my 40 years of business experience. From driving us to the property after completion, to loaning us crockery and bedding and buying some food and drink basics, so we could stay the night in the property that very same night, we really couldn't have been better looked after. It can be very daunting investing in a property abroad, needing the right property advisor is crucial, but not only did Emma excel in this matter by listening to our requirements and having an extensive knowledge and experience of the local property market, making the experience tailored and relevant, the genuine care and personal attention after the purchase, was a special experience and one I can say I haven't experienced in many years of business and property dealings. I would without hesitation recommend Emma in not only finding your dream home inTestim

Spain but also in making the settling in experience so much more pleasurable.

We decided to buy a flat in Costa del Sol sometimes ago and after an accurate searching on internet we came to the conclusion that Bromley Estates was the best and we decided to do all the viewing with them, I have to admit this decision was taken also due to the amazing staff we met during this purchase process, that are Ben and Maria. Ben was absolutely amazing, he was always available for me and replied to all the questions I had in no time and then Maria came along, she is great as she has understood immediately our needs and delivered exactly what we were hoping to find. The purchase is still in process but hopefully within few weeks we should have the keys for our amazing place in the sun!! Bromley Estates is definitely the right estate agent who will help you find your dream place in the sun!!

Probably the best real estate agency on Costa del Sol. Spend several days with Steve on the road viewing a lot of properties and the days have always been well prepared. Always with a prompt follow-up on any questions we may have had. During our visits we have meet quite a lot of other brokers and very few comes even close to professional service of Steve and the Bromley team – highly recommended

Steve Brown Henrik - Norway

We acquired our apartment in Estepona via Anke Parijs who first gave us a thorough lay of the land in the region over a long weekend. Once we made our decision, Anke constantly went the extra mile to facilitate the acquisition, introducing us to banks, notaries, etc.. for a smooth acquisition. But she did not stop there and today she continues to work relentlessly to help us solve tiny and common post-acquisition issues as we are not (yet) local residents. To us, this is invaluable. Anke goes above and beyond and we are very happy to introduce her to friends who are also considering an acquisition in the Marbella region as we know that Anke will take very good care of them. Thank you.

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

How can I start my search for a property in Marbella?

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn’t a definitive answer to this question – it simply comes down to personal preference.

If you’re looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-

most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.
