Approved project available – see renders. We have the neighboring plot of 4.300 sqm. for sale as well (ref. No. R5166994), hence total of more than 9.300 sqm. is available – Thus allowing for three villas 600 sqm. plus basement (approx. 800 sqm. in total).

Arguably one of the best opportunities for a plot of land for the construction of a villa – and more so as it is in a gated community in Benahavis – Doesn't get much better.
