Testimonials

Melissa helped us to fulfill the dream of having a home away from home in the Costa del Sol. She is a real professional with extensive knowledge of real estate in the Mijas area. Combine that with her enthusiasm, friendly service and personal touch and you feel like you have a friend for life. Giving her honest and sincere opinion she was invaluable for us to make the decision in buying our first apartment and not long after, she helped us buy another one. In a short period of time she helped us overcome any doubts we might have had and we genuinely feel that thanks to Melissa we made some great investments. We cannot recommend her enough!

Svetlana and the whole team at Bromley Estates are exceptionally professional, knowledgeable and a great pleasure to work with. Svetlana is so responsive, patient and went above and beyond to make us happy, helping us narrow down our search criteria and assigning Antonio to find us our dream property in the sun. She had great knowledge of the process and was very helpful guiding us through it. Her friendliness and professionalism won us over. We are very thankful for this smooth and exciting experience with Bromley Estates. We highly recommend them.

Flemming did an excellent job in finding us our dream home in Spain. He is pleasant, straightforward, efficient and understands the process and its complexities. He immediately understood the parameters of our search and took the lead to resolve many obstacles, making a difficult process appear seamless for us. I would highly recommend Flemming and his colleagues at Bromley Estates to anyone considering buying a home and would not hesitate to use them again in the future.

Flemming - Simon

We have just recently celebrated our one year anniversary on purchasing our dream holiday home in Estepona. Huge thanks to Taryn for helping to make it happen. Taryn could not have done more for us during the process; from sending lots of options on email, providing video calls to show us properties whist we were in the Uk and lastly setting up the in person viewings when we got to Spain. Taryn made the whole process simple and fun and took a real care in making sure we had the best experience possible. As a result it made the potential daunting task of buying a property abroad easy. The service didn’t just end at the point of sale, I was blown away with the aftercare, Taryn helped so much with things like being there for the snagging in the new apartment, setting up internet, even down to getting the locks changed. She still keeps in touch now to make sure everything is going well. We would highly recommend Taryn to anyone on

purchasing their dream home on the Costa Del Sol.

I could never thank enough Emma at Bromley Estates Marbella and the team at the office for having found me the perfect place in Spain. After having made an enquiry through rightmove.co.uk. I received a reply by email (personalised, NOT computer generated) signed by Jay advising me that a member of staff would contacted me shortly to discuss my requirements. Soon after receiving the email the same Jay called me on my English mobile to discuss my requirements more in details . I was then advised that my file would be passed on her colleague by the name of Emma who would arrange for me to view properties that fit my requirements. I explained that I had a limited budget and that a garden had to be a must since I have two cats. The location would also have to be a priority as I don't drive and the property had to be within walking distance to local shops and the beach. I really believed that I was asking the impossible, but when I received a call by a lady called Emma. Emma sounded friendly and approachable, but came across also as being very professional and extremely knowledgeable of the Spanish housing market and different areas on the Spanish coast. She was positive that she would have found me the right place and it was her confidence and optimism than I then started to think that perhaps the right place for me was out there. I explained to Emma that I am a single woman who does not drive and who needs a base in Spain– as opposed to a holiday place – and she suggested that area of Calahonda would be best for me as it is very well serviced by a bus route that goes into Marbella, Malaga and Fuengirola. As I am not at all familiar with the area, Emma dedicated the whole day for me showing me various properties and their relative shopping/restaurant areas. I would have expected this type of treatment for someone with at least five times my budget, but nonetheless I was treated with kid gloves throughout the whole day. Not only did Emma pick me up from my rented place (1 hour drive away from Bromley Estate Office), but I was even treated to a wonderful meal in a wonderful restaurant by the beach and a coffee in the port area of Cabopino. In just a few days she organised seven properties to be viewed on the same day confident that by the end of the day she would have found me the perfect place. And surely enough she did!!! A lovely, secure and elegant residence in Calahonda. Just the place I could have dreamed of on my budget. Nothing was too much trouble for Emma and all the staff at Bromley Estates. They were all highly professional, but approachable even for a buyer on a tight budget. I was made to feel special even when I walked into their plush offices in Marbella. Everybody knew me by name and their warmth made me feel at ease. Emma was present during the exchange of contracts with the vendor together with a representative lawyer of the Law firm they recommended. The sale went smoothly and I am more than pleased at the worked carried out by the law firm. Everybody spoke perfect English at their offices and I will definitely be using them again for personal tax issues. I am so happy in my new home and I can now say with certainty that should have gone with a different estate agent I doubt very much I would have found the perfect place.

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to beTJ hpulard

Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your 'dream' Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
