Townhouse for sale in an excellent location one step away from all services, a short distance from Fuengirola with excellent access to the highway.

The property consists of 3 floors, at the entrance we find a hall, bathroom.

The kitchen is open to the living room which is spacious with a large window that leads to the garden.

On the second floor we have two bedrooms with wardrobes and a full bathroom with a large bathtub.

On the last floor we find the very large terrace that part has been closed obtaining another plus area, which can be used in various ways.

The urbanization is very nice surrounded by beautiful plants and a very picturesque pool.

It is best to visit it!!!!
