Testimonials

The real estate experience we had with Bromley Estates and in particular, our wonderful agent Chris B., was truly the best buying real estate experience we've ever had. Their efficiency, professionalism and responsiveness was so enjoyable that not only did we, very quickly, find our ideal home on the Costa Del Sol but have come back to them again, to see about finding a country villa too! The expertise of the whole team, including all the professionals Bromley recommended to us such as our lawyer, have all been amazing and quick to respond whenever we expressed a question or need, down to the beginning "scouting" work of Grace screening for properties most reflective of our desires and price range, to the humor and good-nature of our agent, Chris B. We not only found our dream home at Bromley, we found longterm friends and neighbors we can count on. Highest recommendation possible!

We contacted Bromley Estates in 2015 to find us a home inland, we were assigned to Maurice who was given the task of driving us to see properties from Alora to Alhaurin el Grande to Coin. Maurice made our journey not only pleasurable but full of fun too. Ted played a big part in our adventure too though quite how he managed to get to each place before us is still a mystery to us. There were moments on our journey that were a bit scary, one of which was Maurice's navigational skills, when following the country estate agent to a property Maurice seemed to be drawn to follow any and every silver car on the road ?. However after 2 trips to Spain from U.K. Maurice finally found our dream home for us and we are now settled in Coin campo. We owe you a debt of thanks. Keep up the good work. We love you ?

Maurice Boland

Maurice has been working with us for the last 6 months in search for the perfect villa in the Marbella area. His knowledge of the property market in the area is exceptional and we don't need to engage with any other agents now. He is fully aware of what we are looking for and is always sending us updates of new potential properties as they come onto the market. If we identify anything ourselves on platforms like James Edition or Idealista we forward them to Maurice who looks into them for us and then contacts the relevant agents. He then does viewings on our behalf as we are based in the UK and then either does a live video with us at the property or he sends us a recorded video with great advice and guidance as to the potential plus and negative points. All in all he is taking the hard work out of searching for a property in Marbella when we are based in the UK.

I was very glad to work with Pedro Tome! Pedro knows his job very well, makes suggestions that meet expectations, quickly responds to questions on whatsapp - this was important to me. If I buy or rent a property, I will definitely contact him!

We just wanted to let you know what a truly fantastic experience we had in finding our dream property in Spain with Emma Paterson, in less than a week. Emma was professional, considerate, understanding and patient with us at all times, exactly what we needed. When we first met Emma, we thought we knew exactly what we wanted and where, having carried out our own research during previous visits. However, having spent a few hours with Emma and then driving us around and explaining the several pro's and con's of our chosen areas and then taking us back to the office to run through our list of viewings, we had to re-consider. Emma took the time to talk with us, understand us and our desired lifestyle in Spain, which enabled her to better advise us in our property search. Such was the detail of the knowledge that Emma has of all Areas, Urbanizations, Apartments, Communities and general living in Spain, it was both very informative and priceless information. So, with Emma's guidance we set about tweaking the criteria slightly, but significant in terms of logistics, beneficial use and enjoyment of the property and community. Emma swiftly arranged for some further viewings and continued to do so through the week, as and when an appropriate property was found. During our week, Emma became our chauffeur, adviser, guide, confidante, lunch companion and above all a friend. Literally, nothing at all was too much trouble for Emma, everything she did for us was with considered sentiment, care and a good splash of humour in the right places, delivered with a beaming welcoming smile. Once we had agreed the price, Emma arranged for everything else we needed; Lawyer, Notary, property checks, etc., etc., and the high level of service did not stop once we left Spain. Emma is in constant contact and responded to our many emails, phone calls and WhatsApp messages, instantly, right through to completion a month later and still beyond. With Emma, we felt we got that special added value. We were unable to be in Spain for the purchase completion, so Emma actually arranged for changing the locks and holding the keys, setting up the alarm and security system, minor works, delivery of household goods and even offered to take us to the airport, just exceptional after sales service. With the buying process in Spain being quite different to the UK, we actually didn't appreciate how much help and advice we would need, but Emma was there every step of the way providing the guidance, answers to our questions and reassurance that we needed. If anyone is serious about buying a property in Spain, we would highly recommend that they choose Emma to ensure they get the very best attention and achieve their dream too. A truly delightful and rewarding experience. Bromley Estates have secured the "jewel in the crown" of Estate Agents in Spain with Emma Paterson.

Emma - AJD June2022

The Bromley team were fantastic! We made contact with Ana Cristina and she sent us some properties to consider based on our input, recommended a local hotel, and introduced us to Pedro to show us the properties we liked. We went to Marbella with only one day notice and Pedro accommodated our schedule, quickly arranged the viewings, even called in a favor with a contact to gain access to a property on the weekend, which is not typical, then drove us to the train station in Malaga after we secured the property of our choice. Thank you Ana Cristina and Pedro!

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella

that ticks all the right boxes for you. Whatever ‘dream’ Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Our goal is to ensure you transition smoothly into Spanish life. Whether you’re looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you’re interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don’t like. Further useful information can also be found throughout our site, with detailed area guides on all of our ‘Costa del Sol area pages’ and new blogs added regularly.

Once you have an idea of your ‘dream’ Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn't as straightforward as it used to be – but that doesn't mean it's impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn't a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
