Testimonials

Working with Antonio was a great experience, he made the entire process seamless for us. We especially appreciated his deep knowledge of the Marbella area. He did a thorough job of helping us find our dream property, keeping us updated and walking us through every step of the purchase process. He is highly professional, meticulous, and very supportive of his clients. He was always available to answer our questions and concerns promptly, and spent days showing us many wonderful properties until we found the perfect one. A credit to the real estate profession.

Great company and we were very happy with Anke Parijs. She made our search a joyful experience. If we ever buy again or sell we will go back to them.

Anke - Zwaanzinnig

The real estate experience we had with Bromley Estates and in particular, our wonderful agent Chris B., was truly the best buying real estate experience we've ever had. Their efficiency, professionalism and responsiveness was so enjoyable that not only did we, very quickly, find our ideal home on the Costa Del Sol but have come back to them again, to see about finding a country villa too! The expertise of the whole team, including all the professionals Bromley recommended to us such as our lawyer, have all been amazing and quick to respond whenever we expressed a question or need, down to the beginning "scouting" work of Grace screening for properties most reflective of our desires and price range, to the humor and good-nature of our agent, Chris B. We not only found our dream home at Bromley, we found longterm friends and neighbors we can count on. Highest recommendation possible!

I worked with Taryn on the purchase of an apartment, it was an amazing experience. I arrived in Marbella in November and within two days Taryn found the perfect apartment for me. Everything was well organized and buttoned up. Taryn did a great job and made me feel comfortable throughout the entire process. Taryn

was very helpful, showed properties only in line with my expectations and carried out the whole process efficiently and quickly. I definitely recommend the services of Bromley Estate Marbella and above all Taryn!

Taryn - Agnieszka

Hi Mel I wanted to send you a quick email to say thank you for helping our Spanish property dreams come true. I was concerned about buying in Spain having heard some of the horror stories over the last 20 years. From the moment we started to enquire on line to the apartment visits to the ongoing support, I have found Bromley to be incredibly professional and helpful. Thank you for all your advice and support, it has made the process a lot easier that I feared. I would highly recommend Bromley to anyone who is considering buying in Spain. In particular, you listened to our requirements and only showed us properties that were relevant to our search. Friends are shocked that we only spent one day looking at properties in Spain before buying but I think that is because we spent a lot of time with Cristina narrowing our search and then on the day we did not waste any time – it also helped that we immediately liked La Cala! Thank you

Melissa - Mark

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent

international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like and don't like. Further useful information can also be found throughout our site, with detailed area guides on all of our 'Costa del Sol area pages' and new blogs added regularly.

Once you have an idea of your ‘dream’ Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn’t as straightforward as it used to be – but that doesn’t mean it’s impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn’t a definitive answer to this question – it simply comes down to personal preference.

If you’re looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
