Testimonials

Huge thanks to Ana of Bromley Estates Marbella Property for her outstanding advice though-out my research and continuing. Ana knows her market inside-out, and she always has her ear to the ground for relevant local information ... but most importantly she really connects with and listens to a buyer, and understands their requirements perfectly, all the better to guide me. Many many thanks ????

Ana - Kadie

Anke couldn't have done more for us. She ascertained quite quickly what we liked and found within that day the perfect apartment. She chauffeured us to and from apartments and gave us brief histories of the areas which helped immensely when it came to purchasing. We are so happy to have met her. Couldn't recommend her enough.

Anke - Paula

We have used Bromley Estates on several occasions to help with a search for the ideal home for friends on the beautiful Costa, as well as help with selling our lovely apartment in Puerto Cabopino. I can highly recommend them as honest, reliable and innovative estate agents. Maurice Boland did everything to help us – he sure is one helluva funny (in a crazy kind of way!) character and is really good at his job. It was great to go to viewings with him and he bent himself over backwards in finding the right property. Our friends, who live outside Spain, also found Maurice really helpful in their phone communications, in their purchase of an ideal beachside property and the aftercare was superb. Buying a property on the Costa del Sol is a real maze but Bromley provide all the services (lawyer etc) you may need and we cannot recommend Maurice, with his Irish gift of the gab, more.

Thank you so much to Bromley Estates and especially Emma Paterson for helping us find our dream home. We were looking for a rent to buy property which is difficult to find. Emma was tireless in her search and determined to find us the right place, which she did! She is always quick to respond to calls and texts and we really did feel looked after. I highly recommend Emma to anyone looking for an efficient, dynamic and friendly agent to start the house hunting journey with!

My husband and I have recently purchased a property in Marbella through Emma. From the first moment we spoke to her, we knew we were in good hands and she is not only very professional but her knowledge and support throughout the whole process has been second to none. We currently live in Hong Kong and even with the distance in mind, we felt very well take care of and as if we were here main priority the whole way through. As far as customer service levels go, it doesn't get any better than this experience. I made the trip to Marbella from Hong Kong last week having been in touch with Emma for only a few days. This in itself shows how she was able to pinpoint exactly what it was that we were looking for, bearing our budget in mind. She held my hand for the entire week that I was here showing me the plot, meeting with the developers, architects and lawyers and even assisted with my trips to and from the airport. She went above and beyond and as I was alone without my husband and children, she made me feel very safe and supported the whole time. She also provided me with advice on the local schools which ultimately has led me to choosing the one that I would like my children to attend. All in all, my husband and I only decided to consider Marbella as a place to move to just three weeks ago, and in that time we have not only decided that this is a good place for us to relocate our family to but we have also bought a property. Emma has made this an easy decision for us to make and she is entirely responsible for this happening so quickly . She has been an absolute pleasure to work with and we are looking forward to the completion of the property so that we can make the big move over to sunny Spain.

Frequently Asked Questions:

Why should I invest in Marbella real estate?

Marbella has a worldwide reputation for its real estate.

Luxury is a big buzzword here. Properties – old and new – combine the highest standards of style, class and state-of-the-art features and are situated in the most stunning locations. As it continues to be a popular destination, villas, townhouses and apartments for sale in Marbella (and the surrounding areas) all retain their high value and promise an excellent return on investment.

Marbella itself is incredibly easy to reach, with two international airports just a short drive away and flights from many European cities taking less than 3-4 hours. And the cost of living is relatively low. As such, real estate is in high demand and properties for sale in Marbella are incredibly exclusive.

Year-round, Marbella is a truly stunning and tranquil place to live and there's something for everyone to enjoy. It benefits from an amazing microclimate, beautiful beaches, a modern infrastructure, excellent international schools, fantastic bars and restaurants, world-class golf courses, designer shops. The perfect destination for both holidaymakers and those looking to relocate and improve their quality of life.

Why choose us to find your dream property in Marbella?

We're a modern-day agency with old fashioned values. Honesty and integrity are at the heart of our work – that's how we've earnt such a good reputation, amongst both clients and developers alike.

Our property portfolio is extensive and continuously updated. And, thanks to our team of experienced property executives (fluent in eight different languages), we guarantee to identify a villa for sale in Marbella that ticks all the right boxes for you. Whatever 'dream' Spanish home you have in mind – perhaps a modern beachfront apartment or an authentic townhouse – we can help to find it.

Customer satisfaction is incredibly important to us and we strive to offer a professional service at all times – including before, during and after your purchase. Over the years, we have established a network of collaborators and can recommend everything from legal and financial advisors to reputable companies for insurance, currency exchange, interior design and more. Our goal is to ensure you transition smoothly into Spanish life. Whether you're looking for a luxury holiday home, a permanent residence, or a new investment opportunity, we can guide you step-by-step through the buying process and ensure that you get the best Marbella property, at the best possible price.

How can I start my search for a property in Marbella?

If you're interested in buying real estate in Marbella, the first step is to establish your preferences. For example, would you like a frontline golf villa or a beachside apartment? A modern new development or something more traditional? Which area or resort would you prefer to live in?

Be sure to take advantage of our property search function. This allows you to filter properties for sale in Marbella by location, type, price and number of bedrooms – and is a great way to get a feel for what you like

and don’t like. Further useful information can also be found throughout our site, with detailed area guides on all of our ‘Costa del Sol area pages’ and new blogs added regularly.

Once you have an idea of your ‘dream’ Marbella property in mind, the next step is to contact our specialists. Last year, we helped over 350 international clients find their ideal home in the sun – and we can do the same for you. We can search the market for suitable options, compile a shortlist of properties that meet your requirements, and arrange viewings on your behalf.

Simply give us a call on +34 952 939 460 (+44 208 068 7606) to get started.

Can I still buy property in Marbella post-Brexit?

UK nationals are now only entitled to stay in Spain for 90 days, in any given 180 day period. Which means, unfortunately, buying real estate in Marbella isn’t as straightforward as it used to be – but that doesn’t mean it’s impossible.

A Spanish Golden Visa can be issued to any non-EU national who intends to make a significant investment into Marbella property (worth at least €500,000). This entitles you to live and work in Spain and grants access to a range of public services – therefore offering Brits a way to overcome the obstacles created by Brexit and permanently relocate to their dream property in the Costa del Sol.

Further information on the Golden Visa can be found in our blog. But if you have any questions, or would like assistance with the application process, please feel free to get in touch.

Which is the best area to buy property in Marbella?

There isn’t a definitive answer to this question – it simply comes down to personal preference.

If you're looking for an exclusive address, with access to fine dining restaurants, sophisticated bars, high-end boutiques, and world-class golf courses, either the Golden Mile or Puerto Banús are a good option. These are both stunning neighbourhoods, right at the heart of the action – and properties in these areas are perfectly located for residents to lead a relaxing and truly luxurious lifestyle.

Sierra Blanca and Nueva Andalucía are very popular with those looking to relocate, particularly retirees and families. Both are incredibly beautiful and peaceful areas. Yet the vibrancy of Marbella and Puerto Banús are still just a stone's throw away, making them an ideal compromise.

For those looking to be closer to the sea, we highly recommend properties for sale in Cabopino. Situated in the east of Marbella, Capobino is described as the hidden jewel of the Costa del Sol – renowned for its natural beauty, sandy beaches, and beautiful golf courses.

If you're unsure of the right location for you, please don't hesitate to get in touch. We have excellent insight into these areas, as well as the properties for sale across Marbella, and we're always happy to help. Just tell us what you have in mind and we'll point you in the right direction.

Is property for sale in Marbella a good investment?

Yes – property in Marbella is a fantastic asset for both homeowners and rental companies.

As one of the most popular destinations for expatriates, villas, townhouses, and apartments in the area all retain their high value. In fact, prices have grown consistently year on year over the last decade. So, there's no need to worry about putting your life savings into a home that will quickly depreciate.

During the summer months, Marbella is also a favoured tourist destination for Brits and Europeans. Which means, if you're planning to rent the property, it can offer a very lucrative source of monthly income – with most investments seeing an approximate annual return of 3.5 – 10%.

How can I find an ideal property in Marbella if I live far away?

Searching for your dream home in the sun can be a little daunting, particularly if you don't live in the area or wish to relocate from a different country. But that's why we're here, to lend a helping hand.

The first step is to determine exactly what your needs are. Would you prefer a traditional townhouse? An expansive beachfront villa? Or perhaps a contemporary penthouse apartment? Are you looking for a resale or brand new property? Which area do you think would suit you and your family the best?

Lots of additional information can be found throughout our site, which should help you to answer these questions. And once you have a good idea of your ideal Marbella property, you can use our online search tool to discover what is currently available and see which properties catch your eye.

Alternatively, you're welcome to get in touch with our real estate specialists at any time. Whether you're contacting us from Spain, the UK, or further afield, we can guide you step-by-step through the buying process – advising on the best locations for your preferences and requirements, shortlisting properties that tick the right boxes, and arranging viewings on your behalf.
