Great apartment in the centre of the Costa del Sol.

With a usable area of 160m². We present this house with a house surface, for a large family.

Completely renovated with modern style and design, resulting in clean, large and very bright spaces.

Distributed in entrance hall-hall, large living-dining room with 55m². Separated into several rooms, with 6 beautiful windows and access to a semi-covered terrace of 12m².

Very spacious kitchen-office, all new and with appliances. A kitchen with a lot of life, all in white, with very pure lines, giving air to the space and perfect for sharing the best moments with family and/or friends. Great pantry. Very comfortable laundry room attached to the kitchen. Direct annex for domestic service.

We continue with 4 double bedrooms with fitted wardrobes (2 en suite) and 3 full bathrooms in total. The master bedroom has a dressing room, en-suite bathroom and access to a terrace.

From any room of the house we can enjoy panoramic views, both of the mountains and a line of the sea in the distance.
