WE PRESENT THE UNIQUE VILLA JAZMIN, WITH ITS EXCELLENT LOCATION AND THE BEST VIEWS. We find this exclusive property, on a large plot of 9,085 M², with fantastic mountain and sea views and large beautifully landscaped areas with a private pool.

On the plot there are 3 duly registered buildings.

The main house has 412m² built on one level, currently divided into two large living rooms with fireplaces, a large double-height central recreation room, 4 bedrooms, 4 bathrooms (2 of them en suite), a toilet, and a large kitchen with a utility room with access to the terrace and barbecue area.

The house needs a full renovation and could be a magnificent project that allows a host of ideas and possibilities, the double height of the central area allows, without modifying the structure of the house, to make a second floor with up to 3 spacious suites or whatever your imagination allows.

Separated from the house we find a guest house with a constructed area of 83m² that is distributed over 2 floors connected by an internal staircase. On the lower floor there is a bedroom and a bathroom; on the upper floor there is a living room and the kitchen.
