Unique opportunity to acquire a 57,000 m² plot in an excellent location with the possibility of building your second dream home of an additional 300 m², with a charming house of 154 m² built, 2 bedrooms, 1 bathroom and spectacular recreational areas in contact with the nature, ideal for horse lovers.

This property is divided into three plots, two of them continuous and completely fenced, totaling 48,000 m². And another discontinuous plot of 9,000 m².

The rustic-style house, built in 2002 on the largest plot, was renovated in 2013, and has 70 m² of usable space, a 30 m² front porch, a 40 m² covered rear terrace and a 14 m² barbecue area. However, due to the extension of the plot, about 300 m² can still be legally built, which would allow considering the current construction as a guest house and building a main house to your liking in the upper part of the plot that enjoys beautiful views.

The house consists of 1 cozy living room with a wood-burning fireplace, a bedroom, kitchen, a family bathroom with a shower, and a large room that could be made into a further bedroom. The fabulous outdoor
