Luxurious villa with excellent qualities and wonderful views of the sea. Located in one of the best villa areas in western Estepona, in a well-kept and very quiet urbanization. A few minutes from the center of Estepona, just 200 meters from the beach, 3 minutes by car from a commercial area where you will find supermarkets, pharmacy, gas station, hospital and restaurants.

The property enjoys total privacy, a large well-kept garden with palm trees and flowers, a 1823 m² plot and a private pool. Thanks to its south orientation, it is very bright all day.

The impressive hall with wooden ceilings leads to a large living room, which is divided into a fireplace, dining room and library area with a separate lounge with access to the porch with views of the beautiful garden and the 55 m² pool.

The villa consists of 4 large bedrooms, all with en-suite bathrooms (the master bedroom has a dressing room), 4 bathrooms, a fully equipped kitchen, an ironing room and a 30 m² basement. Large terrace with wide views of the sea and the mountains.

Private garage for 2 cars.
