A lovely Marbesa villa within an easy walk to the sea....opportunity for a reform project in Marbesa. 4 minutes walk to SIMBAD

A lovely Marbesa south-facing single storey home with the potential for great reform. Set behind a lovely Andalusian wooden gate, this villa has been partially reformed. The exterior area has the most delightful Portuguese stone pathway, that gives warmth to the entrance.

Currently this original Andalusian Marbesa home comprises a total of 3 bedrooms on one level, with an open plan kitchen and living area at the heart of the property. Basic reform work has been carried out within the property, but there is a huge potential that has yet to be untapped. The design of this villa in Marbella East includes a large entrance hallway with double height ceiling. The large footprint of this space coupled with its height begs to be reconfigured and offers the opportunity to create a staircase to the upper level where this high ceiling can be incorporated into the vast roof terrace to create an exceptional master bedroom with ensuite bathroom that would benefit from incredible sea views through the lush green valley to the Mediterranean Sea.

Giving you an early opportunity with this villa in Marbesa.
