Independent house in an unbeatable location, the center of Los Boliches, a few meters from the sea, in a quiet street but surrounded by all services, transport, supermarkets, restaurants, schools...

The two-bedroom house with built-in wardrobes and two bathrooms, each en-suite, has two entrances to facilitate access for people with reduced mobility, hot and cold pump air conditioning in the living room and bedrooms.

It also has a terrace and a 25-meter bright outdoor patio.

It needs a little love to condition it and customize it to your liking.

Come and see it, the best thing is its location.
