Beautiful villa with a magnificent terrace, large pool and an amazing view.

This outstanding villa is located in a quiet area of Mijas, close to the beach, city life, and restaurants.

The elevated property welcomes you with an automatic gate leading to the front door and a garage with space for 2 cars. From here, you can take the stairs or the lift up to the main part of the villa. Via a bright atelier you're coming into the first part of the living room with a lounge area, a guest toilet and stairs leading up to the second floor.

The living room with a cozy fireplace is wonderfully bright thanks to the large sliding glass doors, and as soon as you step inside, you'll see the stunning view that can be enjoyed from every room in the house. From the living room, there are several exits to the villa's extravagant terrace, which surrounds the villa and allows you to enjoy the sun and the spectacular sea- and mountain view from everywhere. The terrace is very private and undisturbed. With a covered lounge area, dining area, and a generous swimming pool, this is where everyday worries disappear, and pure pleasure reigns.
