PLOT

1000 m²

Fantastic brand new villa of high quality contemporary style and absolutely unique. It is located 200 meters from the beach, in one of the best and most desirable areas of Benalmadena, surrounded by a natural environment of relaxation and privacy with insurmountable sea views.

Modern architecture, in which light invades all spaces making this property a unique house.

This idyllic property is the ultimate expression of the authentic concept of luxury in terms of space, materials, finishes and location, making it a paradise for lovers of modern and quiet life.
