LOVELY VILLA PARTIALLY BUILT IN A PLOT OF 723 M2.- LA QUINTA – RL GAMONAL AREA.

Great opportunity in the area of "La quinta" El Gamonal in San Pedro de Alcántara.

We find a plot of 732 m2 with a villa which is partially built (its lower part and an upper part of the second level pending completion).

This can be a very good option to make modifications in reference to any type of future project.

We enter the plot and we have space to place 2 cars within it.

A large garden area, porch with a private pool.

On the first floor of the villa we find a large kitchen, living room – dining room, 2 large bedrooms and 1 full bathroom.

On the second floor, not yet finished, there are 3 bedrooms, 2 bathrooms and a living room area with a terrace.

From here we can climb a staircase to the solarium area from where we can see beautiful views.
