This 1st floor apartment has its own balcony overlooking ever popular community of Benavista, at the foot of El Paraiso on the New Golden Mile. The property is being sold fully furnished, with air con installed in the bedroom and the lounge.

Benavista has been a popular choice for properties to use as holiday homes, 2nd homes or full time residences for almost 40 years, largely due to the amount of facilities located right on the doorstep of the community, or within easy walking distance. There are many restaurants and bars very close by, plus virtually everything which may be needed to avoid the use of a vehicle, such as banks, a pharmacy, supermarket, gift shops and many other facilities, including the bowls club and the newly refurbished Roza Rossa Tennis & Padel Club.

The beach is easily accessible and only around a 10 minute walk via a nearby footbridge, with bus stops either side of the road to provide easy access to Estepona and San Pedro via bus.
