BROMLEY ESTATES

Marbella

The New Golden Mile is an area that has experienced an increase in demand over the last 5-7 years, with many new developments being built, due to the availability of land and a more streamlined licensing process than in the municipality of Marbella. Taking its name from Marbella's Golden Mile, the New Golden Mile refers to the areas next to the beachside of the N-340 national road and immediately next to it on the mountain side between Casasola and just past the Kempinski Hotel, all within the municipality of Estepona.
