One of Taylow Wimpey's builds in Los Arqueros is one of the most recent projects to be developed in Los Arqueros Golf & Country Club. Consisting of three storey, low-density apartments and penthouses, every one have a south or south-westerly aspect and benefits from a spacious terrace, roof terrace or garden.

The community is made up of either 2 or 3 bedroom apartments all with high quality finishes including cream marble floors and luxury designer fitted kitchens. The properties have been built in the style of a Mediterranean village offering magnificent views over the newly-built 9-hole golf which will soon be rebranded Puente Romano Golf with 18 holes (see final photo with how it will become). Los Robles is set amongst beautiful landscaped gardens and offers a separated adult and children's swimming pool,
